# The Campus Hostels Mess

## The Campus

The JP Institute of Education & Applied Sciences is located on Meerut-Mawana Road in Meerut and is about 70 Km. from Delhi. It is well connected by rail as well as road. The nearest airport, as of now, is Indra Gandhi International (Delhi)

The JPIEA's building is beautifully landscaped, with a unique architectural design. Its sprawling lush green lawns, luxurious green cover around with perennial shrubs, flowers and trees make the campus an ideal place for serious studies as well as recreation in the midst of nature.

## Hostels:

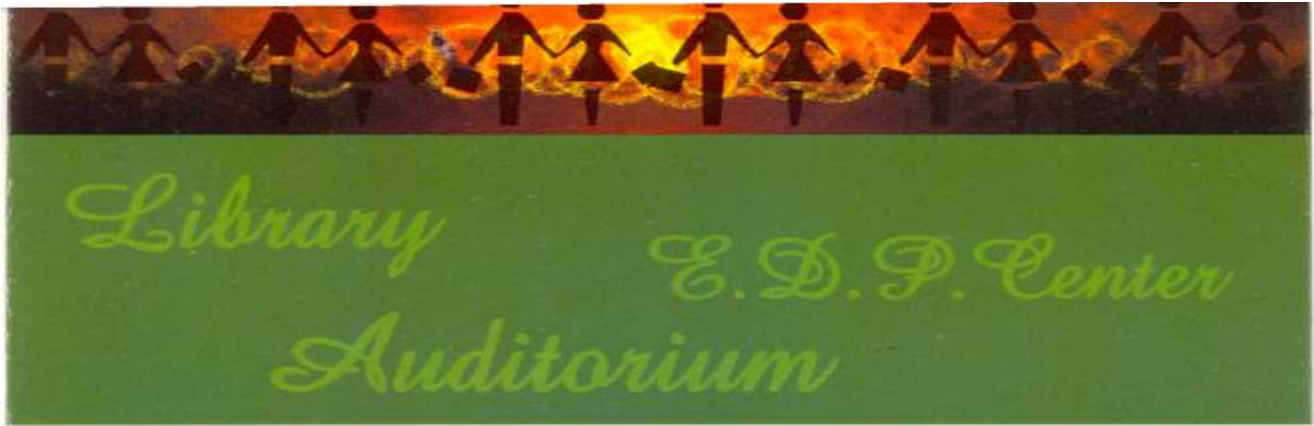

It has multi-storied hostels for boys and girls located separately. The hostels are so designed that each room can accommodate three students comfortably. The hostels are provided with room-coolers, geysers and fly-proofing. The hostels have ayahs (for Girls) and ward boys (for Boys) besides female and male warden who look after the students round the clock.

There are two messes, located near Girls and Boys hostels. Hygienic and nutritious vegetarian food is provided, eggs too are a part of our menu.

## Campus Clinic :

The institute runs two well equipped medical rooms to provide medical attention to the students under the care of a qualified doctor, who resides in the campus , and is ably supported by a medical compounder. A ten bedded hospital exists for temporary admission of patients.

### ► Auditorium ◀

A modern multipurpose auditorium is utilized for centralised functions. In addition to air-conditioning, it is also equipped with an ultra modern professional level light and sound system.

### ► Library ◀

The Library is rich with the quality and the quantity. It has more than two thousand five hundred reference, as well as text books on different areas of management, we shall continue to add more and more as new arrivals hit the market. Besides books, we subscribe to many journals & magazines; national as well as of international origin.

### ► E.D.P. Centre ◀

E.D.P. Centre provides computer facilities to the student with 1:1 ratio. The entire campus of PIEAS is Wi-Fi i.e. network is wireless. The centre is also well equipped with Scanners, Laser, Inkjet, Deskjet, Dot-Matrix etc. Students are well exposed to the various equipment required during the courses for their practicals and theory knowledge.

Cafeteria

Play-fields  
Transport facilities

Play - Fields

The vast fields of the campus have facilities for almost all out-door games and sports, which students can avail of. The campus has an international size football-field with stadia like structure, there are proper fields for playing basket-ball, volleyball, cricket etc. The campus has a swimming-pool, boating club and gymnasium.

### ► Cafeteria ◀

The campus has a spacious canteen which is taken care of by the supervisor and staff. Nutrition and diet is given special attention so that students can maintain good health. The canteen has STD facility also.

### ► Transport Facilities ◀

JP Group of Institutions has its own fleet of buses for conveyance of students not staying in the hostel. It covers designated places of Meerut and ply between Delhi (Anand Vihar) and Meerut. These cater to the needs of day scholars on demand.

## ▶ What makes us different? ◀

- Experienced, dedicated, versatile and seasoned faculty to groom the students.
- Regular guest lectures from reputed Dignitaries, Industrialists, Educationalists and famous Personalities.
- Suitable awards and incentives for meritorious students.
- 25 (appx.) acres lush green campus.
- Hostel facilities with all modern comforts.
- Medical facilities.
- Power back-up 24 hours.

## ▶ Pedagogy ◀

Result oriented and real life situation based on pedagogy will be scrupulously following by adhering to the following time tested principles of effective pedagogy for B-school.

- Foundation -** Laying strong academic by efficient & experienced faculty.
- Application -** Application of theoretical knowledge by translating it into practical in labs & on the job training i.e. hand on experiences.
- Integration -** The integration of theoretical knowledge & practical experiences to give shape to reality in surmounting business problems.
- Reinforcement -** Reinforcing knowledge, skills & techniques through lectures, seminars, case studies, interactions, role - play, presentations, quizzes etc.
- Research -** Students will be encouraged to keep up research to further explore & expand their horizons.

The syllabus is to be updated every year to include the latest trends and delete the obsolete once. Close liaison is to be maintained. The faculty members remain in touch and familiarize themselves with latest developments in their core-competency areas by field based research.
